2016 SUPERCLUBS NATIONAL TEAM

Every year soccer players across America join to create the SuperClubs National Team. Boys and girls teams ages U12-18 embark on the journey of a lifetime to represent the United States abroad! The National Team Tour combines superb sightseeing opportunities with unparalleled soccer experiences playing against the best Youth Professional Academy Teams in England. We are now accepting resumes from America's best players to join the 2017 SuperClubs National Team.

For the past 17 years the SuperClubs National Team has been the industries leader in helping young players achieve their dreams of playing the top Youth Professional Academy teams in England. Previous SuperClubs National Teams have played Manchester United, Liverpool, Blackburn Rovers, Tottenham Hotspurs, Charlton Athletic, Leeds, Sheffield United and many other great clubs. These are some of the biggest and most successful teams in England and they have yielded some of the most famous players in the world!

You will have the unique opportunity to train with the Academy coaches from a professional club in England. Our teams in 2017 will train with Liverpool FC or Manchester City FC, the top teams in the English Premier League in the 2013/14 season. The Academy system in England is responsible for nurturing young talent and turning them in to super stars. Most youth players dream about having the opportunity to play behind these closed doors, and they are now open to you!

Of course no trip to England would be complete without attending a professional match. Imagine sitting in the stands at Old Trafford (home to Manchester United) or Anfield (home to Liverpool FC) as 60,000 fans are cheering and chanting at the top of their lungs. You have to experience an English professional match at least once in your life.

While the bulk of this trip is meant to experience the first class soccer experience that Europe has to offer, the trip will also include plenty of opportunities for the cultural and tourist experiences that the United Kingdom is famous for. We have planned excursions to Windsor Castle & Caernarvon Castle to see what life was like hundreds of years ago. We have also planned a day in Central London visiting many of the famous landmarks including Buckingham Palace, Big Ben, Piccadilly Circus, Westminster Abbey, The Tower Bridge, Trafalgar Square and the Guard Station. We have also built in stops at the world famous Harrods Department Store and The Trafford Centre (Europe's largest shopping mall).

TOUR DATE: JULY 26TH - AUG 6TH 2017

DEPART UNITED STATES

DAY 1

Depart the United States on a scheduled overnight transatlantic flight to London England.

LONDON ENGLAND

DAY 2-5

While in London, we will stop at Windsor Castle- one of the queens official residences. Windsor Castle was built by William the Conqueror more than 900 years ago to defend the western approach to the capital. Windsor Castle still plays a formal role in State and official occasions. Visitors can marvel at St. Georges Chapel, which was founded by Edward IV back in 1475 and is one of the best examples of gothic architecture in the country. Prince Edward and Sophie Rhys-Jones were married there in June of 1999. It is also the burial site for 10 sovereigns. Equally stunning is St. Georges Hall, which has been completely restored following a fire in 1992 and is still used by the Queen for state banquets and receptions. The State Departments are also open to the public and are lavishly furnished with paintings by Rubens, Holbein and Rembrandt.

The SuperClubs National Team members will be able to set foot on some of the legendary fields where the game of soccer has evolved. In addition to these phenomenal matches, our players will enjoy the highest level of training with some soccer's most accomplished coaches. Most soccer players only dream of such a prestigious opportunity, but on the SuperClubs National Team this dream will become a reality.

TOUR DATE: JULY 26TH - AUG 6TH 2017

The heart of why we go, though, is to play the beautiful game. The SuperClubs National Team will have the opportunity to play matches against some of the most famed and historic clubs in the UK. Past tour teams have played in the shadows of Ibrox, or with the Reebok Stadium or Craven Cottage off on the horizon. Some of the best games come from the community teams in quaint cities like Dronfield Town, Banger City, and Newtown. After these games, the parents from each team get to chat while the players enjoy some time (and in some cases) a meal together. These bonding experiences are once in a lifetime, and your player will always remember this trip!

While in Europe you will have the opportunity to attend a professional game. Over the years we have taken our players to Emirates Stadium, home to Arsenal FC and to Stamford Bridge, home to Chelsea FC and Old Trafford, the legendary home of Manchester United. These are four of the most recognizable stadiums in the entire world.

TOUR DATE: JULY 26TH - AUG 6TH 2017

TOUR DATE: JULY 26TH - AUG 6TH 2017

Players on the SuperClubs National Team will also have the unique opportunity to train with the Academy coaches from a professional club in England. The Academy system in England is responsible for nurturing young talent and turning them in to super stars. Most youth players dream about having the opportunity to play behind these closed doors, and they are now open to you!

These Academy coaches are responsible developing the best youth players in England. Players such as David Beckham, Ryan Giggs, Gareth Bale, Steven Gerrard, Raheem Sterling, Frank Lampard and Theo Walcott came through the Academy system at the youth level of their clubs. Our teams in 2016 had a chance to train with Liverpool FC and Manchester City FC, the top teams in the English Premier League in the 2013/14 season.

These behind the scenes training session will show you exactly how the professional teams train their youth players in England. Very few players around the world get the opportunity to train with the coaches who produce some of the biggest and best players in the world. Are you ready?
