DAY 1: UNITED STATES ~ MANCHESTER ENGLAND

Depart the United States on a scheduled overnight transatlantic flight to Manchester England.

DAY 2 ~ DAY 6: CHESTER ENGLAND

Chester is among the most beautiful and “must-see” cities in the country of England. Upon arrival, you will appreciate the city’s unique atmosphere and sense of history. Founded by Romans over 2000 years ago, much of the Roman influence remains. The Chester City Walls are the most complete in Britain, surrounding the city in a two mile loop, originally built to offer protection from outside forces. In every corner of the city you are confronted with history, from the Roman Amphitheatre which is currently under excavation, to the medieval half-timbered buildings. One of Chester's most unique features are the two-tiered rows, which means you can shop whatever the weather and gives you double shopping fun! Despite so much history and heritage, Chester is a vibrant, dynamic city full of bars, pubs, clubs, hotels and restaurants which means each time you visit you will discover something new.

TOUR DATE: JULY 18TH - JULY 28TH 2017

We will spend the afternoon in Manchester and experience a day with one of the most recognizable sports franchise in the world,

MANCHESTER UNITED.

Your journey at “Old Trafford” begins at the Museum Center, a new showpiece museum full of exhibits showing the great history and triumphs of Manchester United. You will see the amazing trophy display, the “Hall of Champions” and the new interactive computer room. After the museum tour you will enter the magnificent stadium “Old Trafford” to view the “Theatre of Dreams”. During the stadium tour you will have the opportunity to go into the player’s locker room and sit at your favorite player’s locker, walk the players tunnel to the pitch, view the media room and even sit in Sir Alex Ferguson’s former private seat on the Manchester United bench. After the stadium tour our next stop is the Manchester United “Mega-Store”

Players on this tour will also have the unique opportunity to train with the Academy coaches from a professional club in England. The Academy system in England is responsible for nurturing young talent and turning them in to super stars. TOUR DATE: JULY 18TH - JULY 28TH 2017

DAY 6 ~ DAY 11: LONDON ENGLAND

Following your stay in Chester we will transfer to London for the remainder of the tour. On the way to London we will stop at Windsor Castle- one of the queens official residences. Windsor Castle was built by William the Conqueror more than 900 years ago to defend the western approach to the capital. Windsor Castle still plays a formal role in State and official occasions. Visitors can marvel at St. Georges Chapel, which was founded by Edward IV back in 1475 and is one of the best examples of gothic architecture in the country. Prince Edward and Sophie Rhys-Jones were married there in June of 1999. It is also the burial site for 10 sovereigns. Equally stunning is St. Georges Hall, which has been completely restored following a fire in 1992 and is still used by the Queen for state banquets and receptions. The State Departments are also open to the public and are lavishly furnished with paintings by Rubens, Holbein and Rembrandt.

The team tour members will be able to set foot on some of the legendary fields where the game of soccer has evolved. In addition to these phenomenal matches, our players will enjoy the highest level of training with some soccer's most accomplished coaches. Most soccer players only dream of such a prestigious opportunity, but on this European tour this dream will become a reality.

The heart of why we go, though, is to play the beautiful game. This team tour will have the opportunity to play matches against some of the most fabled and historic clubs in the UK. Past team tours have played in the shadows of Ibrox, or with the Reebok Stadium or Craven Cottage off on the horizon. Some of the best games come from the community teams in quaint cities like Dronfield Town, Banger City, and Newtown. After these games, the parents from each team get to chat while the players enjoy some time together. These bonding experiences are once in a lifetime, and your player will always remember this trip!

TOUR DATE: JULY 18TH - JULY 28TH 2017

While in England you will have the opportunity to attend a professional game. Over the years we have taken our players to Emirates Stadium, home to Arsenal FC and to Stamford Bridge, home to Chelsea FC and Old Trafford, the legendary home of Manchester United. These are three of the most recognizable stadiums in the entire world.

While the bulk of this trip is meant to experience the first class soccer experience that Europe has to offer, the trip will also include plenty of opportunities for the cultural and tourist experiences that the United Kingdom is famous for. We have planned excursions to Windsor Castle & Caernarvon Castle to see what life was like hundreds of years ago. We have also planned a day in Central London visiting many of the famous landmarks including Buckingham Palace, Big Ben, Piccadilly Circus, Westminster Abbey, The Tower Bridge, Trafalgar Square and the Guard Station. We have also built in stops at the world famous Harrods Department Store and The Trafford Centre (Europe's largest shopping mall).
