2020 SUPERCLUBS

TOUR OF IRELAND AND ENGLAND

For 20 years Soccer Excellence has been creating custom tours for teams. Your team will get the opportunity to stay in two of the most remarkable cities in all of the United Kingdom; Dublin, Ireland and Chester England. Each of these amazing cities gives you a distinctly different look into the various cultures the UK has to offer (not to mention being immersed in the two biggest hot-beds of Irish and English soccer). This tour combines superb sightseeing opportunities with unparalleled soccer experiences playing against the best Youth Professional Academy Teams in the UK.

Soccer Excellence has been the industries leaders in helping young players achieve their dreams of playing the top Youth Professional Academy teams in Europe. Previous tour teams have played Real Madrid, Manchester United, Liverpool, Blackburn Rovers, Tottenham Hotspurs, Charlton Athletic, Leeds, Sheffield United and many other great clubs. These are some of the biggest and most successful teams in England and they have yielded some of the most famous players in the world!

You will have the unique opportunity to train with the Academy coaches from a professional club in England. Our teams in 2020 will train either with Liverpool FC or Manchester City FC, the top teams in the English Premier League. The Academy system in England is responsible for nurturing young talent and turning them in to super stars. Most youth players dream about having the opportunity to play behind these closed doors, and they are now open to you!

Of course, no trip to the UK would be complete without attending a professional match. Imagine sitting in the stands at Old Trafford (home to Manchester United) or Anfield (home to Liverpool FC) as 60,000 fans are cheering and chanting at the top of their lungs. You have to experience an English professional match at least once in your life.

DAY 1: UNITED STATES ~ DUBLIN IRELAND

Depart the United States on a scheduled overnight transatlantic flight to Dublin, Ireland.

DAY 2 ~ DAY 5: DUBLIN IRELAND

The largest city in Ireland, Dublin is located on the Irish Sea and commonly known as the “Emerald Isle” for its lush great landscapes. It is also famous for its ubiquitous pubs and vibrant nightlife. The soccer in Dublin is absolutely first class. You will have the opportunity to play against some of the top youth professional academy players. Players such as Roy and Robbie Keane, John O’Shea, Kevin Kilbane, Damian Duff and Shay Given were all products of these training academies.

Your team will be able to set foot on some of the legendary fields where the game of soccer has evolved. In addition to these phenomenal matches, our players will enjoy the highest level of training with some soccer’s most accomplished coaches. Most soccer players only dream of such a prestigious opportunity, but with us, this dream will become a reality.

The heart of why we go, though, is to play the beautiful game. Your team will have the opportunity to play matches against some of the most fabled and historic clubs in the UK. Past teams have played in the shadows of Ibrox, or with the Reebok Stadium or Craven Cottage off on the horizon. Some of the best games come from the community teams in quaint cities like Dronfield Town, Banger City, and Newtown. After these games, the parents from each team get to chat while the players enjoy some time together. These bonding experiences are once in a lifetime, and your player will always remember this trip!

DAY 5 ~ DAY 10 CHESTER ENGLAND

Following your stay in Dublin we will transfer to Chester, England. Chester is among the most beautiful and “must-see” cities in the country of England. Upon arrival, you will appreciate the city’s unique atmosphere and sense of history. Founded by Romans over 2000 years ago, much of the Roman influence remains. The Chester City Walls are the most complete in Britain, surrounding the city in a two-mile loop, originally built to offer protection from outside forces. In every corner of the city you are confronted with history, from the Roman Amphitheatre, which is currently under excavation, to the medieval half-timbered buildings. One of Chester's most unique features are the two-tiered rows, which means you can shop whatever the weather and gives you double shopping fun! Despite so much history and heritage, Chester is a vibrant, dynamic city full of bars, pubs, clubs, hotels and restaurants which means each time you visit you will discover something new.

We will spend the afternoon in Manchester and experience a day with one of the most recognizable sports franchises in the world,

MANCHESTER UNITED

Your journey at “Old Trafford” begins at the Museum Center, a new showpiece museum full of exhibits showing the great history and triumphs of Manchester United. You will see the amazing trophy display, the “Hall of Champions” and the new interactive computer room. After the museum tour you will enter the magnificent stadium “Old Trafford” to view the “Theatre of Dreams”. During the stadium tour you will have the opportunity to go into the player’s locker room and sit at your favorite player’s locker, walk the players tunnel to the pitch, view the media room and even sit in Sir Alex Ferguson’s former private seat on the Manchester United bench. After the stadium tour our next stop is the Manchester United “Mega-Store”

Players on this tour will also have the unique opportunity to train with the Academy coaches from a professional club in England. The Academy system in England is responsible for nurturing young talent and turning them in to super stars. Most youth players dream about having the opportunity to play behind these closed doors, and they are now open to you!

These Academy coaches are responsible developing the best youth players in England. Players such as David Beckham, Ryan Giggs, Gareth Bale, Steven Gerrard, Raheem Sterling, Frank Lampard and Theo Walcott came through the Academy system at the youth level of their clubs. In 2018 our teams will train with Liverpool FC and Manchester City FC, the top teams in the English Premier League.

These behind the scenes training session will show you exactly how the professional teams train their youth players in England. Very few players around the world get the opportunity to train with the coaches who produce some of the biggest and best players in the world. Are you ready?

While in Ireland and England, you will have the opportunity to attend a professional game. Over the years we have taken our players to Emirates Stadium, home to Arsenal FC and to Stamford Bridge, home to Chelsea FC and Old Trafford, the legendary home of Manchester United. These are three of the most recognizable stadiums in the entire world.
